SAFETY CRITICAL HOURS WORKED POLICY

To comply with the requirement of the Railway (Safety Critical Work) Regulations and Network Rail Contract Conditions Safety, all staff shall adhere to the following...

- Shall not work more than 12 hours per shift
- Have a 12 hour rest period between shifts
- Shall not work more than 13 shifts out of fourteen days
- Shall not work more than 72 hours per week
- In case of emergency these limits may be exceeded where no alternative arrangements can be made and until the situation can be contained.
- Rest must be taken to re-address the situation.
- Directors only may give permission to exceed the above limits providing the risks have been assessed.
- NOTE;

The above limits are for hours worked and do not include travelling time or rest breaks.

This policy shall be reviewed annually and whenever necessary.
